

From your hotel to the terminal with no hassle or fuss.

Here at Manchester Airport we are always looking for ways to make your travel experience even better. That is why we have introduced a convenient shuttle bus service that picks you up from your hotel and drops you off at the terminal.

The route takes in each of the three terminals 1-2-3 as well as The Station, with regular services from early in the morning to late at night to give you maximum travel flexibility.

The number 7 bus will drop off and collect from Manchester Airport Bus Stops outside all terminals.

Comfort and convenience

Our shuttle buses are especially designed for easy boarding, with plenty of room for both you and your luggage.

Relax in comfort as we shuttle you quickly to your terminal, ready for check-in. And, of course, you can catch the shuttle from the terminal to any of the hotels on our route when you are flying in to Manchester.

Any queries please contact 0161 489 5154 or 8666.
